

Benefits Savings Example AlwaysDental Member

HOW USING A NETWORK DENTIST SAVES YOU MONEY

Using an in-network dentist will minimize your out-of-pocket expenses. With our extensive dental network, it's easy to find a network dentist near your home or work.

Of course, the AlwaysDental Plan allows you to use any dentist you prefer. However, you should expect to experience higher out-of-pocket expenses when using an out-of-network dentist.

The following examples are for illustrative purposes only. Fees may vary by location.

Your dentist says you need a cleaning. Let's look at your costs in and out of network.

Your dentist says you need a crown. Let's look at your costs in and out of network.

UCR vs PlusNetwork	Procedure Codes	
	D1110 - Prophylaxis Adult	
	PlusNetwork Provider	Non-Network Provider
Amount Charged	\$65	\$118
Scheduled Amount*	\$44	\$44
Member Pays	\$21	\$74
Plan Pays**	82%	37%
Member Saves	\$53	

UCR vs PlusNetwork	Procedure Codes	
	D2750 - Crown Porcelain/High Noble Metal	
	PlusNetwork Provider	Non-Network Provider
Amount Charged	\$782	\$1,289
Scheduled Amount*	\$266	\$266
Member Pays	\$516	\$1,023
Plan Pays**	60%	21%
Member Saves	\$507	

The above chart illustrates sample claims where a member saw a PlusNetwork provider and received 100% of the schedule amount from their AlwaysDental Plan. The above examples exclude any deductibles which may apply.

* Scheduled Amount is what is paid by the plan.

** Plan Pays represents the amount paid for and saved by the plan when seeing a PlusNetwork provider.
